NEIGHBORHOOD WATCH INFORMATION

2-15-2011

Hello all Neighborhood Watch Participants,

Since January 18th, we have taken 6 reports of residential burglary (5 of these 6 have occurred since last Thursday). The vast majority of these burglaries (or attempts) have occurred during daylight hours mostly along the Cumberland Road corridor from 96th Street to 131st Street. The suspect/s gained entry in all of these cases by kicking-in or prying open the front doors. Jewelry and/or electronic items were stolen from each home while the homeowners were out. The mentioned burglaries have occurred in the following areas:

- *1-18-2011 10200 block of Bent Tree Lane (96th and Cumberland Rd)
- *2-09-2011 7300 block of Catboat Court (106th and Allisonville)
- *2-12-2011 10300 block of Lakeland Drive (96th and Cumberland Rd)
- *2-13-2011 10300 block of Springridge Ct (106th and Cumberland Rd)
- *2-14-2011 12900 block of Shandon Lane (131st and Cumberland Rd)
- *2-14-2011 9600 block of Aberdeen Court (131st and Cumberland Rd)
- *2-10-2011 burglary attempt on Silverstone Drive (116th and Olio Rd)

Lawrence Police and Carmel Police are reporting multiple burglaries in their jurisdictions also. Our detectives are actively engaged with these investigations and are asking our residents to immediately report any unusual persons or vehicles seen within our neighborhoods and to especially be on the lookout for a light colored Chevrolet Monte Carlo or Lumina that is possibly missing hub caps on the driver's side. This vehicle was possibly seen with multiple occupants inside it near one of the burglarized homes.

Please help us protect you by remaining watchful in your neighborhoods and calling to report any potential helpful information in these cases.
