**(Fishers, Indiana) Fishers Police Department Assumes Lead in the Search for Missing 19 year old Patrick A. Trainor**

Detectives and Officers of the Fishers Police Department have now been assigned lead roles in the investigation of 19 year old missing Southside Indianapolis resident Patrick Trainor. The case was shifted from IMPD to Fishers Police upon determination that Patrick's last known contact was in the Fishers area.

The investigation has revealed that Patrick's last phone activity occurred at approximately 1:23 a.m. early Sunday morning (3/21/2010) from somewhere in the vicinity of the 10,900 block of Olio Road after leaving a friend's home in the Geist area.

Since that time there has been no reported communication to or from Patrick with family or friends. Neither has there been any observed activity on any of Patrick's bank, e-mail, or electronic social networking accounts.

Patrick's family and friends have been working closely with both IMPD and Fishers Detective Divisions in the search effort since they reported him missing and a tremendous amount of resources are currently being devoted in the effort to find Patrick.

Our detectives are attacking all angles and leads by continuing interviews of all known friends and associates. Detectives are also soliciting and reviewing any private or business video camera footage in the area including dedicating patrol officers to continue scouring the area in search of Patrick or his vehicle. The Indiana State Police has also agreed to the use of a helicopter and pilot to assist in the search this morning.

Our Detective's believe looking for Patrick's vehicle will be most productive primarily due to its distinctive appearance. It is described as an 'Electric Green' 1999 Ford Mustang bearing Indiana plate 522ZVF with dark tinted windows and damage to the left side.

Patrick Trainor is a White Male, approximately 5'11" tall, 135 lbs, with Brown hair, facial hair, and Blue eyes. He was reported last seen wearing possibly brown shorts or blue jeans, white tennis shoes, and a grey hooded sweatshirt.

We earnestly request anyone with any information regarding Patrick's whereabouts, including any person who had contact with him on or after Saturday evening to immediately call our Investigations Division at [\(317\) 595-3328](tel:3175953328).
